#### Payments

The currency used on Terceira Island is the euro (€). Most businesses on the Island, including, hotels and local businesses, accept all types of cards, namely, debit card and visa/mastercard.

#### Transports

The island has a good public transport service, namely buses that travels around the island several times throughout the day. However, for those who want autonomy, be free of schedules and visit places outside the public transport route, must rent a car through a rent-a-car.

#### Food

The island is known for its meat dishes and fish as well as seafood. We recommend Alcatra (meat), Boca Nega and Veja (fish), Dona amélia (sweet).

#### Idiom

The written and spoken language on the Island is Portuguese. However most of the population speaks and writes English relatively well.
